Thank you [REDACTED] for consolidating the notes! Timeline looks great but we could organize it a bit more so it's easier to read and process.

I wonder if we could get some insights from [REDACTED] on the conversation or notes he had with [REDACTED] during the time. [REDACTED] should have the notes on the conversation Perkins had with [REDACTED] as well that we could ask for? Could we also look into Slack conversation between [REDACTED] and [REDACTED] that could have something potentially?

Other than that, well put notes! Let me know if you need anything.

Here is the timeline on [REDACTED] attempt to forcibly sell the company to Alchemist (Steven) based on all of our notes. It's extremely clear based on the dates what the intention was here.  
Please feel free to make edits to the documents as needed.  
Really appreciate everyone's collaboration.

Hi [REDACTED]

We just got back from the employment law firm.  
[REDACTED] and I will be organizing a chronological order of all things regarding [REDACTED]

Could you please check your calendar invites and other sources to start putting together a timeline of dates and what

For example: [REDACTED] made comments about "XYZ" on this date (time would help as well).

A few things we are aware of at this point

- Reading a book on taking over a company
- Noobie, first trimester
- Etc.

Thank you!
